

❑ Formula 82S Hair Strengthening Shampoo

Cleanser • Conditioner • Anti-Thinning Formula

Ingredient	What It Does for Your Hair
Saw Palmetto (2%)	Natural plant extract that helps block DHT, the main hormone that causes hair thinning.
Biotin (Vitamin B7)	Strengthens hair roots and improves thickness. Often called the “hair growth vitamin.”
Amino Acids Complex	Rebuilds damaged hair, adds strength, and helps prevent breakage and split ends.
Phytokeratine	Plant-based keratin that protects hair from heat styling (blow dryers, straighteners, UV).
Vitamin E	Powerful antioxidant that protects the scalp and helps keep hair follicles healthy.
Panthenol (Provitamin B5)	Adds moisture to hair, improves shine, and reduces breakage.
Seaweed Extract	Rich in natural vitamins and minerals; soothes scalp and reduces oiliness.
Babassu Oil	Deeply conditions and repairs hair without making it greasy.
Coconut & Glutamic Cleansers	Gentle, plant-based cleansers that clean your hair without stripping natural oils.

✓ Why People Love Formula 82S

- ✓ Blocks DHT (a major cause of hair loss)
 - ✓ Strengthens and protects each strand
 - ✓ Conditions while it cleans—no separate conditioner needed
 - ✓ Made from eco-friendly, natural ingredients
 - ✓ Safe for color-treated or dyed hair
 - ✓ pH-balanced to match healthy scalp (≈ 5.2)
 - ✓ No sulfates, parabens, or silicones
-

⚠ Important Notes

- ✗ Not for use during pregnancy or while nursing (due to Saw Palmetto)
- ⌚ You may notice more shedding at first—this is normal! It’s a sign your hair cycle is resetting for better growth.

How to Use

- Apply to wet hair, massage into scalp, leave on for 1–2 minutes, then rinse.
- Most users don't need a separate conditioner.
- Use regularly (ideally daily or every other day) for best results.
