

SkinGenuity VR – Nutraceutical Support for Vaginal Comfort & Rejuvenation

Product Type: Topical Nutritional Serum (Non-Hormonal)

Packaging: 6 single-use tubes (4 mL each)

Supplement Facts (Per Application)

Key Active Ingredients	Function / Benefit
Hyaluronic Acid	Deep hydration for vaginal tissues; improves moisture, elasticity, and comfort
sh-Polypeptide-3 (KGF)	Stimulates cell renewal in vaginal mucosa; helps reduce dryness and irritation
sh-Polypeptide-9 (VEGF)	Supports vascular renewal and natural lubrication
sh-Polypeptide-10 (KGF-2)	Thickens and strengthens protective cells in vaginal tissue
Acetyl Octapeptide-17 Amide (EGF)	Promotes healthy skin renewal; supports comfort and tissue resilience
sh-Polypeptide-22 (TGF-β1)	Modulates healing and fibroblast activity; contributes to soothing the vaginal lining

Inactive Ingredients

Deionized Water, Pentylene Glycol, 1,2-Hexanediol, Sodium Phosphate, Lecithin, Sodium Benzoate, Chlorphenesin, Potassium Sorbate

Benefits

- Helps **relieve dryness, itching, and irritation** associated with hormonal changes and aging
- Supports **vaginal hydration and elasticity**, helping restore tissue comfort and suppleness
- May promote **vaginal rejuvenation** when used regularly
- Reduced irritation may contribute to **less urinary urgency and enhanced urinary comfort**
- Can be used safely as a **non-hormonal support** after vaginal rejuvenation procedures

 *This product is not a medication and does not treat or cure urinary tract infections or incontinence.*

Suggested Use

Apply 2–3 times per week or as recommended by your healthcare provider. For external/internal vaginal use only. Single-use applicators ensure clean, measured application.

Storage & Safety

- Store in a cool, dry place away from direct sunlight
 - Keep out of reach of children
 - For topical use only; do not ingest
-

□ Clinically-Informed Formulation

SkinGenuity VR is backed by clinical studies showing significant improvement in key symptoms associated with vaginal atrophy. Its bio-identical peptides and hyaluronic acid work synergistically to help restore the integrity of the vaginal tissue, enhance comfort, and support overall pelvic wellness.

Hormone-free. Paraben-free. Fragrance-free. Gentle.
